School Notes.

Owing to circumstances we were compelled to move camp to Auerbach, where we spent a very splendid fortnight.

Owing to the circumstances mentioned above we were only able to play two football matches this term, those of Neuenheim College and the Akademischer, both of which we are glad to be able to credit in our favour.

We have to thank Lieut. Branson for a very pleasant evening on Sunday, March 11th, when he treated us to a sleight-of-hand entertainment.
