

THE KODIOPTICON

offers the most fascinating of all entertainment, the picturing of your good times, the story of travel or vacation days, in brilliant lantern slide pictures thrown on a screen in your own home.

Such pictures from your own Kodak negatives, realistic in size and interesting in detail, with the added touch of human interest, are made possible by the Kodiopticon.

The Kodiopticon is equipped with a powerful Mazda incandescent lamp and may be connected with the ordinary electric lamp socket. Uses either glass slides or the Velox Film Lantern slides which are made from your negatives the same as Velox prints.
